

NOTICE of CONATEL

The National Council of Télécommunications (CONATEL) advises the general public, especially concerned that, following damage caused to various premises by the violent earthquake of January 12, 2010, a cell CONATEL has been installed at Number 97 of the 'Pan American Avenue in Petion-Ville in order to ensure continuity of services. This provision will, inter alia, to better coordinate the provisional establishment of networks in Haiti Emergency Telecommunications.

Accordingly, all concerned are requested to contact the CONATEL at above mentioned between 9am and AM PM 1h, throughout the day at the following telephone numbers (509) 3454-0541 - 2516-0000-3702-1414 or e-mail addresses techommunication@yahoo.fr - info@conatel.gouv.ht before any use of telecommunications equipment or spectrum resources, this in order to avoid interference problems and potential conflicts between operators legally established in Haiti and those involved in this exceptional situation.

The National Telecommunications Council (CONATEL), while thanking the providers of telecommunications services for all efforts to keep their networks operational, despite repeated damage recorded, took the opportunity to present his sympathies to the families of victims of earthquake.
