

CARIBBEAN ASSOCIATION OF NATIONAL
TELECOMMUNICATION ORGANIZATIONS

CALL FOR EXHIBITORS

CANTO invites you to be part of our 26th **Annual Telecommunications Conference and Trade Exhibition 2010**. The theme of the event is **CANTO “Embracing Technology for Economic Success”**. This, the Caribbean’s premier Telecommunication Event is a must for any organization or individual with an interest in the Caribbean telecommunication market. The Venue for the event is **The World Trade Center, Curacao**.

As an exhibitor there are several key benefits to attending and/or participating shows which include:

- Networking
- Presenting your product and /or service
- Support your Representative / Distributor
- Knowing your competition (and defending yourself against competition)
- Making new contacts and renewing old contacts
- Search for employment
- Search for Representative/Distributor

The Caribbean Association of National Telecommunication organizations (CANTO) a regional show, has its annual conference at a different Caribbean Island each year with key delegates attending from each of the major telecommunication companies from throughout the Caribbean.

CANTO offers its suppliers/ participants the opportunity to get to really know key telecom personnel during the four days of the conference/trade show. This helps to build credibility.

CANTO sets the stage:

1. Establish an image for your company, product / service
2. Develop presence and credibility
3. Introduction to get the appointment

If your organization is interested in getting involved in this very worthwhile venture please contact:

Ms. Tricia Balthazar – Business Development Manager
