

CALL FOR EXHIBITORS - CANTO 2014

CANTO invites you to be part of the 30th **Annual Telecommunications Conference and Trade Exhibition 2014**. CANTO 2014 is the Caribbean's premier telecommunications event for industry professionals, academics and regional governments. The CANTO 2014 theme of: "*Strategic Alliances for Sustainable Broadband Development*", will seek to hold meaningful discourse as we move towards information driven society. The event will be held at the Atlantis, Paradise Island, Bahamas from the 10-13 August, 2014.

The trade exhibition will cover the spectrum of communications technologies, offering in-depth information on the latest developments in voice, data, image, e-content and multimedia captured in 93 exhibits.

As an exhibitor there are several key benefits to attending:

- Networking
- Showcasing your products and services to operators in the region
- Learning about state of the art and upcoming technologies
- Competitive analysis
- Discussing key telecommunication issues

CANTO sets the stage to:

1. Network
2. Establish an image for your company, product and service
3. Develop presence and credibility

Operators, suppliers, exhibitors, regulators and all ICT related personnel, mark your calendars for this premier telecommunications event of the Caribbean – CANTO 2014, 10th – 13th August, in The Bahamas.
