CANTO 2016

CANTO's 32nd Annual Conference & Trade Exhibition

“Building an Entrepreneurial Ecosystem through Sustainable Strategic Partnerships”

CANTO 2016 - ‘Bigger and Better in Puerto Rico’

Puerto Rico known as the ‘Island of enchantment’ *‘La isla del encanto’* is the chosen venue for CANTO’s upcoming 32nd Annual Conference & Trade Exhibition . The highly anticipated event will take place from July 31st – August 5th, 2016 at the Sheraton Puerto Rico Hotel in San Juan under the theme: *“Inspiring ICT Innovations: Building an Entrepreneurial Ecosystem through Sustainable Strategic Partnerships”*.

The Chairman of CANTO, Julian Wilkins noted that “Inspiring ICT innovations will allow us to full take advantage of the rapidly evolving converging technology environment for the benefit of our Caribbean consumers.

The theme targets the talented citizenry of the Caribbean and the Americas. It encourages all stakeholders to create and foster an environment of entrepreneurship by harnessing the natural talent. The objective is to inspire persons to be creative and innovative by utilizing and fostering strategic partnerships to yield SMART sustainable products and services, adding value to markets to reduce poverty and foster environmental conservation. It is a delicate balance of economical, sociological and environmental goals which will require a public–private partnership (PPP) and CANTO is well poised to take the lead.

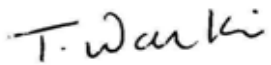

CANTO 2016 promises to be bigger and better with the continuation of such popular staple events such as the Ministers’ Monday; Operators’ & Regulators’, Caribbean Women in ICT, 10th Annual Human Resource and the 3rd Annual Marketing Forums. CANTO 2016 anticipates a full slate of new suppliers and operators fitting perfectly with the tagline ‘Puerto Rico does it better’.

Please visit the CANTO 2016 website for detailed information on one of the most beneficial opportunities and resource for suppliers in the telecoms market.
