## Hurricane Reconstruction 2017

CANTO 23 July 2018

## Probability of a Hurricane Striking on a Given Year

(In percent)

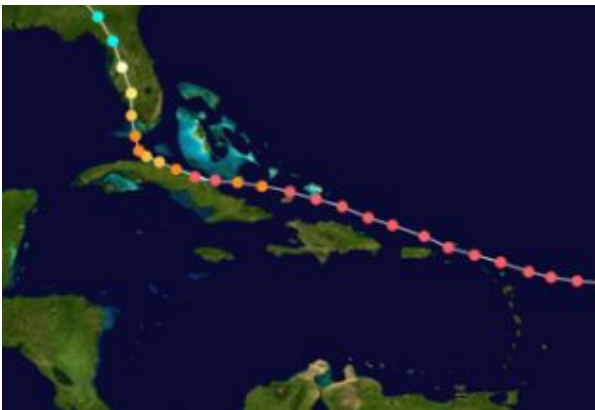

Sources: EM-DAT; and IMF staff calculations.

# Background

- 13 of Digicel's markets in the NOECS, SOECS and FWI were impacted by 3 hurricanes, 2 of which were Category 5 (Irma and Maria) between the 6<sup>th</sup> and 20<sup>th</sup> of September - leaving almost half of the sites off air as at 21<sup>st</sup> September.
- On September 6<sup>th</sup> Irma was a direct hit in Barbuda, Anguilla, St. Martin, St. Barth, BVI and TCI with extensive damages to our assets. It also impacted Antigua, St. Kitts, Nevis Monserrat and Guadeloupe with power, fibre and microwave outages.
- A 2<sup>nd</sup> hurricane (Jose) reached Cat-4 and impacted NOECS indirectly on Sep 9<sup>th</sup>, with impact on recovery efforts
- On Sep 18<sup>th</sup>, 3<sup>rd</sup> hurricane (Maria) was a direct hit on Dominica and Guadeloupe and impacted Antigua, St. Kitts and Nevis, Monserrat, BVI and TCI

Cat-5 - Hurricane IRMA – Sep 6

Cat 4 - Hurricane JOSE – Sep 9

Cat 5 - Hurricane MARIA – Sep 18

# Initial Damage Overview

## Mobile

Irma + Maria	Sites On Air post hurricane	Estimated % Towers/Rooftop collapsed	Estimated % Active Equipm. damage
Anguilla	0	79%	100%
Br. Virgin Islands	1	75%	63%
Turks & Caicos	2	12%	88%
St Martin	0	60%	80%
Barthelemy	0	100%	100%
St Kitts/Nevis	12	0%	0%
Antigua/Barbuda	22	2%	2%
Montserrat	0	0%	0%
Dominica	0	>70%	100%

# Initial Damage Overview

## Fixed

Irma + Maria	Estimated % of fixed network needing rebuild
Anguilla	>95%
Montserrat	20%
Turks & Caicos	>70%
St Kitts/Nevis	<20%
Dominica	>80%

## Other Impacts

Irma + Maria	
Dominica	Warehouse flooded and looted - damage to offices and retail/top-up outlets
BVI	Warehouse flooded and looted - damage to offices and retail/top-up outlets
Turks & Caicos	Damage to offices and retail/top-up outlets
Recovery efforts	Barge with network equipment, generators and humanitarian relief supplies valued US\$1.5m en route to Anguilla and BVI post "Irma" was lost at sea during "Maria"
