

1. Who is CANTO?

CANTO is a regional organisation which strives to influence the innovation and development of ICT solutions for the benefit of members by promoting, navigating and leveraging relationships with all stakeholders. CANTO endeavours to advocate for policies, legislation and rules which advance the creation of an environment which facilitates the deployment of services and technologies around the region.

2. What is CANTO Connect?

CANTO Connect, a virtual networking event, bridges the gap between key stakeholders, entrepreneurs and customers alike. This virtual networking experience, first of its kind in the Caribbean Telecommunications industry, will give all the opportunity to create valuable connections within the ICT ecosystem. Meet with telecommunication operators, software and equipment suppliers and regulators and discuss pressing issues that can increase innovation within the Caribbean region.

CANTO Connect will deliver the same excellent educational content; unique networking opportunities and stimulating social experience that has been synonymous with our face to face events.
